

## Installation Instructions

### Model 21468NKPN

1. Turn breaker off for circuit on outlet where fixture is to be installed.
2. This fixture weighs over 50 lbs and cannot be installed to electrical box. Refer to enclosed instructions for heavy weight fixtures.
3. Install chain to top loop using quick link and adjust height accordingly.
4. Slide canopy ring and canopy down chain to top of fixture.
5. Lift fixture and attach chain to loop using quick link. Be careful not to grab fixture by decorative chain or you will damage it !
6. Wire fixture to wires in outlet box. Green wire is for Ground.
7. Move canopy and ring up chain to meet ceiling. Tighten screw to secure.
8. Install maximum 40 watt G9 xenon lamps.

### WARNING!

**Xenon lamps burn hot. Allow 15 minutes after turning off before touching!**
