

A modern interior design advertisement featuring a minimalist aesthetic. On the left, a sleek, dark-framed armchair with light-colored upholstery sits on a polished floor, positioned in front of a large floor-to-ceiling window that offers a view of a city skyline. To the right, a dark wood console table with a curved front holds a framed abstract painting, a white geometric vase with greenery, and a small framed black and white photograph. The overall color palette is neutral, with dark wood, light upholstery, and a bright, airy atmosphere from the natural light.

The classic, low-profile sectional gets a streamlined update in our versatile Commodore sectional. Dark Bourbon Glazed wood outlines its sculptural shape complemented by a weathered espresso, brushed slub-knit fabric. Adding to this piece's comfort are loose back cushions and plush pillows. Contrasting throw pillows in dark espresso chenille and a light, sateen geometric woven fabric add a dash of elegance while low conical feet complete the look.

MODERNE BEDROOM

Imagine the undeniable sophistication of your bedroom with this ultra-stylish bed as its centerpiece. A contemporary herringbone quilted pattern distinguishes the upholstered headboard and brings nuanced flair to its neutral tweed cover. An exposed frame of fumed figured eucalyptus, finished in Aged Bourbon, trims the headboard, footboard and rails while imparting tailored refinement.

Dark and handsome, this modern nightstand hints at throw-back designs from the 1940s. Sporting rounded corners, a solid recessed plinth base and retro-era metal hardware, this nightstand drops easily into any bedroom where space is at a premium.
