## Dining Chair Assembly Guide

## Note:

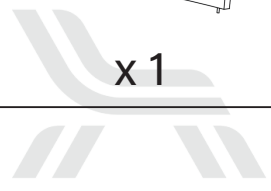

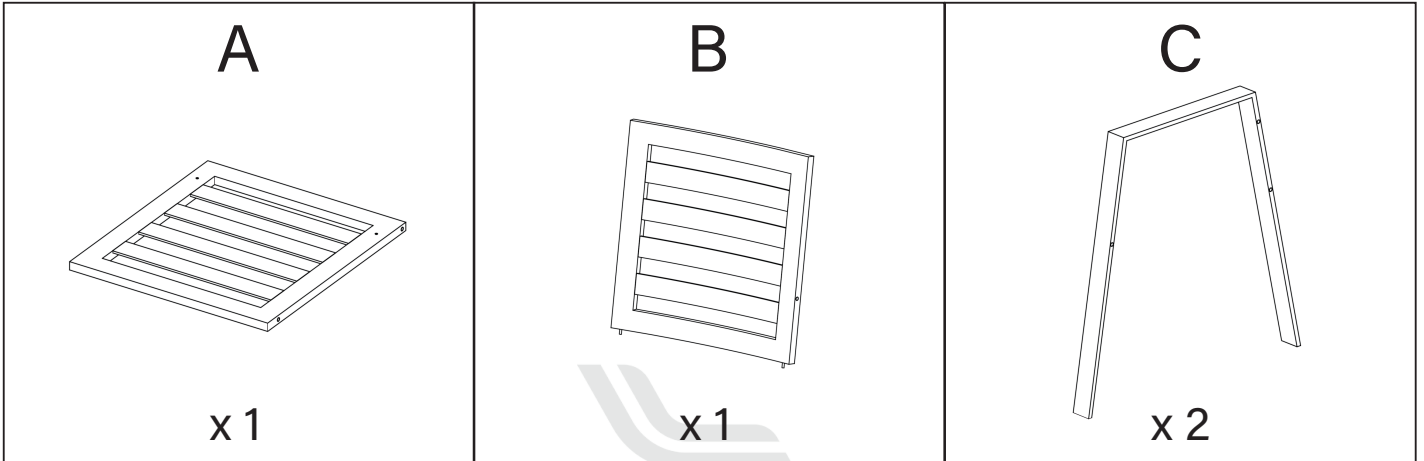

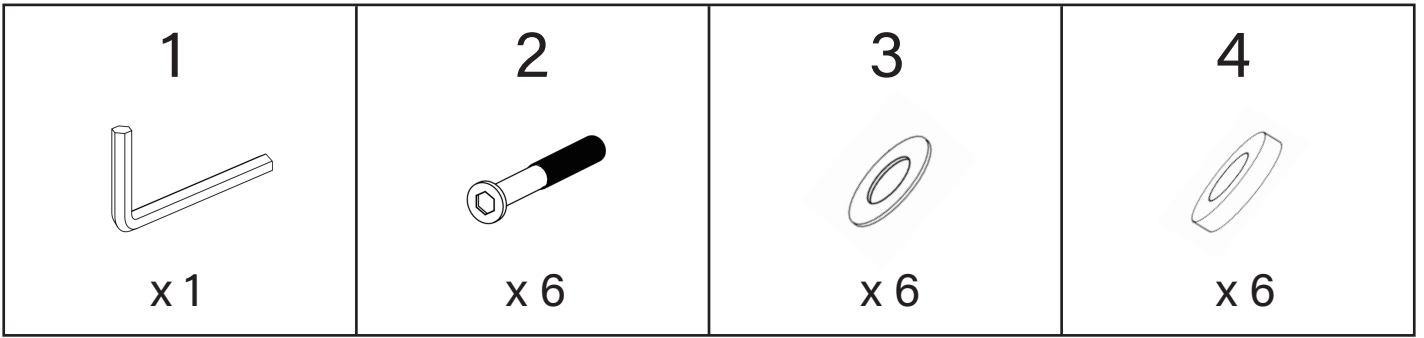

1. Please make sure you have all of the parts listed before you begin to assemble the item.
2. Please follow our instruction step by step. Or you can also scan the QR code below with your phone to watch a more detailed assembly video.
3. It is highly recommended to manually assemble the chair using our tools. Please use the LOW SPEED when using electrical tools.
4. DO NOT tighten the screws completely until all screws are aligned with the holes.
