TROUBLESHOOTING

ЩD

 Pump operates, but no water flow:
 * Make sure pump is fully submerged in water. If there is still no water flow please turn off the power of the transformer, repeat this step several times.

 Water speed:
 * To change the water speed, simply adjust the switch control located on the pump housing.

 Noise from fountain:
 * Check water level and make sure the pump is completely submerged

 Light does not shimmer:
 * Check the light bulb and make sure it is connected to socket.
