PEEK-A-BOO ADJUSTABLE HEIGHT ART EASEL

Little Partners' Peek-A-Boo Art Easel features a two-sided, transparent acrylic board, giving your child the space and versatility to color, paint, play and experiment in a variety of different mediums. Built-in storage allows for easy access to supplies, while the adjustable height starts out low, perfect for young, budding artists.

✓ **LITTLE PARTNERS CONTEMPO ART EASEL** — The perfect gift for little ones, this easel's extra-large, two-sided design features a transparent acrylic board for versatile use. Your child can use dry erase markers, dry erase crayons, window markers and water color paint to express their inner artist.

✓ **EASILY STORE SUPPLIES** —Includes a built-in magnetic strip for holding paper, 1 eraser, and 4 built-in paint containers for easy access during those creative moments.

✓ **ADJUSTABLE HEIGHT** — Adjustable writing surface has 2 heights to grow with your little one. Writing surface begins lower to the ground (starts at 10.5 inches) for younger kids to use with ease. Writing surface on both the white and blackboards.

✓ **QUALITY CONSTRUCTION** — Constructed of durable, sturdy wood for long lasting stability you can count on after years of use. Acrylic surface wipes clean easily with soap and water.
