Dimensions + Details

USD781612Patent

Material | 1/2" and 3/4" thick cell cast acrylic

Dimensions | 25½ L x 15¾ T x 6½ D

Construction | Hand-assembled with optically clear, museum quality joints. Although rare, slight irregularities are evidence of hand-crafted artistry.

Product Weight | 13 lbs.

Ship Weight | 20 lbs. Oversized package

Origins | Made in the U.S.A.

Care Instructions | To preserve the clarity and luster of eclipse for years to come, do not use alcohol-based, solvent-based or general household cleaners. Use Brilliance, Novus or other cleaners that are specifically for plastic.

- Place away from direct flames and heat sources.
- Use care when lifting by the handle; lifting by the handle is not recommended when eclipse is completely filled with publications.
- Take care with sharp corners.
