

# **EXERCISES**

| Table 1: Data for Exercise 1 |       |      |
|------------------------------|-------|------|
| Year                         | Value | Unit |
| 2000                         | 100   | 1000 |
| 2001                         | 110   | 1000 |
| 2002                         | 120   | 1000 |
| 2003                         | 130   | 1000 |
| 2004                         | 140   | 1000 |
| 2005                         | 150   | 1000 |
| 2006                         | 160   | 1000 |
| 2007                         | 170   | 1000 |
| 2008                         | 180   | 1000 |
| 2009                         | 190   | 1000 |
| 2010                         | 200   | 1000 |

  

| Table 2: Data for Exercise 2 |       |      |
|------------------------------|-------|------|
| Year                         | Value | Unit |
| 2000                         | 100   | 1000 |
| 2001                         | 110   | 1000 |
| 2002                         | 120   | 1000 |
| 2003                         | 130   | 1000 |
| 2004                         | 140   | 1000 |
| 2005                         | 150   | 1000 |
| 2006                         | 160   | 1000 |
| 2007                         | 170   | 1000 |
| 2008                         | 180   | 1000 |
| 2009                         | 190   | 1000 |
| 2010                         | 200   | 1000 |
