Hillside Snow Flocked Collection

The Hillside Slim Flocked Pine is an artificial Christmas Tree from Fraser Hill Farm. This model features a slim silhouette with ample spacing between branches for additional decorations like tinsel and large ornaments. Fully hinged branches and slender profile make this tree easy to set up in any room, big or small.

A heavily flocked finish was designed to resemble freshly fallen snow that is true to season and produces a natural effect. Enjoy all the long-term benefits that come with owning an artificial tree. Imagine never having to shop, chop, and pay for another natural tree again. With the Hillside Slim, simply unfold out of storage and decorate!
