

TV36FTAV (shown with Tekwood Vintage)

FEATURES

- Umbrella hole with removable plug
- Leg end caps provide protection from scratching of surfaces
- Easy assembly
- Seats 4
- Pair with Travira or Argento dining seating
- Low-maintenance and ideal for outdoor applications

MATERIALS

Powder-coated aluminum is durable and lightweight. Its rustproof nature and resistance to chipping or peeling ensures furniture will remain beautiful over its lifetime. Tekwood is a wood-alternative developed from polystyrene providing the look of wood without the weathering process. Lite-Core is an engineered panel of natural granite with an aluminum honeycomb core resulting in a beautiful surface that is durable and lighter in weight than solid stone. All materials are ideally suited to the outdoor environment and provide commercial-grade quality.

Umbrella Hole	Assemb. Width	Assemb. Depth	Assemb. Height	Assemb. Weight Lbs.
2" (50 mm)	36.5"	36.5"	29"	31 (Tekwood) 66 (Lite-Core)
