

LIMITED WARRANTY

This LNC product is warranted in the U.S.A. for 1 year from the date of purchase against defects in material and workmanship. This also includes spare parts missing or broken during the transportation. We will offer free replacement for the products or spare parts within the warranty time.

During this period, if the LNC product, upon inspection by LNC, is proven defective, it will be repaired or replaced, at LNC's option, without charge to the customer. If a replacement product is sent, it will carry the remaining warranty of the original product.

We suggest that you contact us with advising the order number together with original purchase date to proceed with the returning and spare parts replacement.

This warranty does not apply to any defect arising from a buyer's or user's misuse of the product, negligence, failure to follow LNC instructions noted in the user's manual, use on current or voltage other than that stamped on the product, wear and tear, alteration or repair not authorized by LNC or use for commercial purposes. There is no warranty for glass parts, glass containers, and accessories in general that the user damages. There is also no warranty for parts lost by the user.

ANY WARRANTY OF MERCHANTABILITY OR FITNESS WITH RESPECT TO THIS PRODUCT IS ALSO LIMITED TO THE ONE YEAR LIMITED WARRANTY PERIOD.

If this is the case, bring the product, or send it, postage prepaid by the user (for the non-quality issue orders, all LNC customers are responsible for the initial shipment back to the seller's center), along with **proof of purchase** and a **return authorization number** indicated on the outer package, given by seller's center or our Customer Service Representatives. Send to the authorized LNC Service Center.

When sending the product, please include a letter explaining the nature of the claimed defect.

This warranty is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty performance.
