

## Boxwood Wreath w/ Clear LED Lights

Spruce up your holiday decor with an artificial Boxwood wreath from Fraser Hill Farm. Whether you deck the halls indoors or outdoors, invest in a quality wreath that will last year after year.

This all-season wreath features tiny, lifelike boxwood leaves arranged in a circle to resemble real branches found in nature. It's pre-strung with plug-in LED string lights that add a sparkle and charm to the overall display. There's plenty of room for you to customize the look with bows, ornaments, and other decor from season to season, year round.

If you love a classic boxwood but do not want the maintenance this is for you. Simply plug in and display - no clipping or watering required!
