

steps to care

taking care of your upholstered barstools

Use slightly damp cloth to spot clean. Wipe dry with clean and dry cloth.

Vacuum regularly using upholstery attachment.

In case of spills, wipe promptly with lint-free cloth.

Professional cleaning recommended for stubborn stains.

Use a soft, dry brush to remove loose particles.

Always test fabric-friendly cleaners in a small area before use.

Do not use abrasive or harsh chemicals to clean as this may damage the finish.

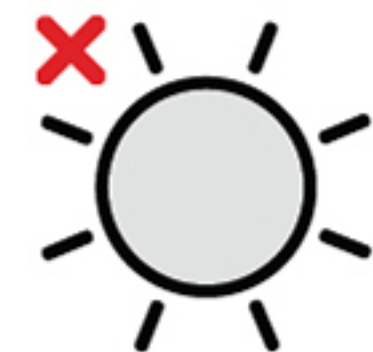

Do not spray cleaner directly on product.

Avoid exposure to extreme temperatures.

Keep away from sharp objects.

Avoid direct sunlight to prevent fading.

Overuse of water on leather upholstery may lead to staining.
