

Cimarron®

Toilet tank, 1.28 gpf
K-4369-RA

Features

- 1.28 gpf (4.8 lpf).
- Includes Polished Chrome right-hand trip lever.
- Combines with the K-5309 bowl to create a complete K-5310-RA Cimarron toilet.
- Coordinates with other products in the Cimarron collection.

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank, bowl, and trapway to create a strong siphon during flushing.
- AquaPiston® canister allows water to flow into the bowl from all sides (360 degrees), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3" flapper for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.
- AquaPiston® canister flush valve optimizes flush performance and resists warping and deterioration.

Installation

- Supply line sold separately.

Recommended Products/Accessories

K-5309 Elongated chair height toilet bowl
K-23726 Drain treatment
