

- **Wreaths come in many sizes**
 - 15", 22" and 30" are common, but wreaths may also be available in 18", 20", 26" or 28" sizes as well.
 - Circle shapes are traditional, but hearts and rectangles appear too!
- **Wreaths can be used on doors, walls, mantles, tables, chair backs and church pews!**
 - A 22" wreath will look terrific on a standard 36" door.
 - 30" wreaths will work on larger doors, or as wall art in large spaces.
 - 15" wreaths are terrific wall art for smaller spaces, and can also be used as table centerpieces "as is" or with candles, bouquets, or figurines placed in the center opening.
