Riviera Turquoise

Cushion

The Riviera Turquoise Cushion pairs a vibrant **turquoise herringbone weave** with the refreshing **Solaro Turquoise** brush fringe. Crafted from GRS certified recycled outdoor weather-resistant polyester, this cushion is designed to retain its texture and bold colour despite exposure to sun, rain, or wind. Its striking yet tranquil hue makes it an ideal choice for poolside seating, garden lounges, or beachside retreats.

We do recommend, however, that these scatter cushions are looked after carefully and are best used in dry weather. As with most outdoor textiles, they prefer to be stored inside when they are not being used, or during periods of prolonged wet, cold, or damp weather.
