

ENDURA-STONE® COLUMN LIFETIME LIMITED WARRANTY

PACIFIC COLUMNS, INC., a Division of Cascade Wood Products, (hereinafter "Manufacturer") warrants that Endura-Stone Columns will be free of manufacturing defects in material and workmanship for as long as the original purchaser owns the structure to which they are initially installed according to our **Endura-Stone Column Installation Instructions**. Should replacement be necessary under this limited warranty, the sole remedy shall be limited to the furnishing of new shafts, caps, and/or bases as needed to replace the defective part(s). Field assembled joints, such as required by split and reassembled columns, are not warranted. Manufacturer does not include, and will not pay for, installation and/or painting or other services required, as part of this limited warranty, nor shall Manufacturer be liable for compensatory, consequential or incidental damages under this limited warranty. There are no other express warranties contained herein, and all representations or affirmations made, and all samples and models shown are for illustrative purposes only.

Manufacturer makes no warranty of merchantability or that the products covered hereby are fit for any particular purpose. There are no warranties, implied or expressed, except that contained on the face of this document. Warranty is only valid in the continental United States. Pacific Columns, Inc. does not provide a warranty on split FRP or fiberglass columns.

INSTALLATION

I, the undersigned, have inspected the installed columns at the job site below and the PACIFIC COLUMNS, INC. Columns are properly prepared, installed, and painted as required. (Warranty is not valid unless all blanks below are properly filled in.)
