C=Upper Fiberglass Rod 42.75inches 	2	G=10 ft x 7 ft Net 	1
D=Upper Metal Tube-27.25 inches 	2	H=U-shaped Metal Peg 	4

ASSEMBLY INSTRUCTIONS:

Lay down all components on a flat surface. Unfold and lay down the net to the right orientation with the angled part on the lower part of the net.

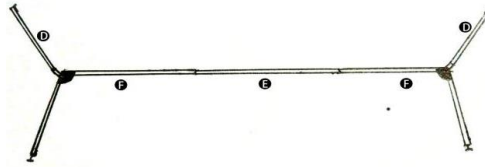

1. Corner tube(F) comes folded. Push button on the corner to release tubes to L-shape. Put 2 corner tubes (F) on the ground facing each other per illustration.

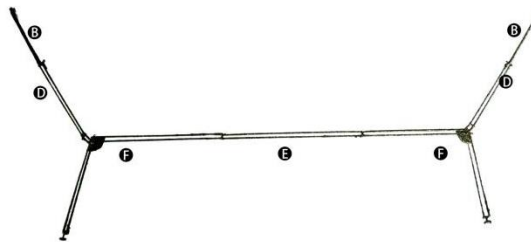

2. Attach the middle tube (E) to each side of the corner tubes(F).

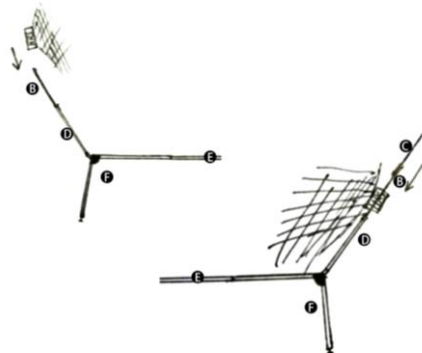

3. Attach upper tube (D) to the top part of corner tube (F) on each side.

4. Attach middle fiberglass rod (B) on the upper tube (D) on each side.

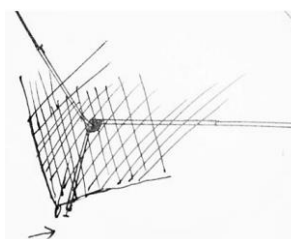

5. Put the net (G) through the middle fiberglass rod (B) on one end.
Attach upper fiberglass rod (C) to the middle fiberglass rod (B).
Do this in both sides.

6. Hook the upper loop of the net (G) to the top of upper fiberglass rod (C).
Do this in both sides.

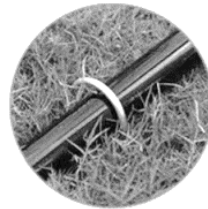

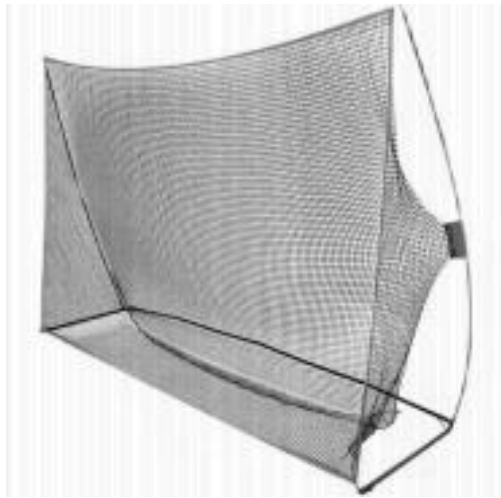

7. Hook the bottom loop of the net (G) to the bottom of corner tube (F).
Do this in both sides.

8. Finished product should look like this.

Use the U-shaped metal pegs(H) to affix the metal base to the ground on four corners of the net.

Comes with a storage bag to keep net and components together.

PERSONAL DRIVING RANGE: Improve your swing with this portable and durable golf hitting net you can conveniently use indoors and outdoors in your own backyard, garage, basement or nearby park.

PLEASE NOTE: The net is not machine washable. To clean: Hand wash in cold water with mild detergent and hang dry.
