Flush Mount

Aenon's universal style positions the series as a contemporary design that is a perfect fit for transitional to modern homes. The striking Hammered Water Glass draws the eye and quickly becomes a topic of conversation and admiration. Strong masculine steel arms cradle Aenon's unique glass, suspending them in mid-air. When lit, the Hammered Water Glass panels contrast the smooth Matte Black finish and refract the bright light. Playful shadows created by this glass offer an intimate ambiance. Aenon's low profile design makes this Flush mount perfect for hallways, bathrooms, and bedrooms.
