

891 Vessel Bathroom Sink

Bamboo

Each of our Bamboo Vessel Sinks is created with simple lines and warm hues, providing a touch of modern charm to any bathroom. Bamboo is a renewable resource as it is a fast-growing and environmentally friendly product. Our bamboo sinks are made from the exterior of 100% bamboo stalks, joined together and laminated for a strong finish. Since bamboo is water resistant, care and maintenance is low and the beautiful luster of the sink will last for years.
