Arnsberg Tampa contemporary torchiere floor lamps also feature a separate reading light for when you need even more illumination. Torchieres are a good choice for rooms that feel dark since they shine their light upward so it can diffuse all around the room. Choose from matte brass or matte nickel finishes. Uses LED light with 3000K color temperature and touch dimming. Uses superior OSRAM SMD LED lights with exclusive Opto Semiconductor. These LED lights are smaller, more efficient and put out more light! Arnsberg offers meticulous German engineering to beautify your home.
