Figure 1: To open Cam, point arrow toward Cam Pin hole. To lock Cam, turn clockwise.

IMPORTANT NOTICE:
● Place all wooden parts on a clean and smooth surface such as a rug or carpet to avoid the parts from being scratched.
● Check to be sure that you have all parts and hardware.
● Remove all wrapping materials, including staples & packing straps before you start to assemble.
● Do not tighten all screws/bolts until completely assembled.
● Keep all hardware parts out of reach of children.

IMPORTANT NOTICE:
● Place all wooden parts on a clean and smooth surface such as a rug or carpet to avoid the parts from being scratched.
● Check to be sure that you have all parts and hardware.
● Remove all wrapping materials, including staples & packing straps before you start to assemble.
● Do not tighten all screws/bolts until completely assembled.
● Keep all hardware parts out of reach of children.

STEP 6 : Screw in 6 adjustable glides(I) in the locations shown below with 4 medium screws(G) each.

STEP 7 : Place 2 cam pins(F) in bottom(P) and attach center wall(W) with banded edge facing out by inserting and locking cams (*Fig1*).
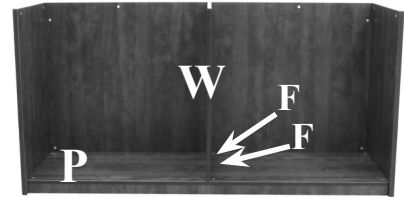

STEP 8a : Screw 8 cam pins(F) into top(T). Use 2 small screws(E) each to attach locking lips(D).
STEP 8b : Attach top by inserting and locking cams (*Fig1*).
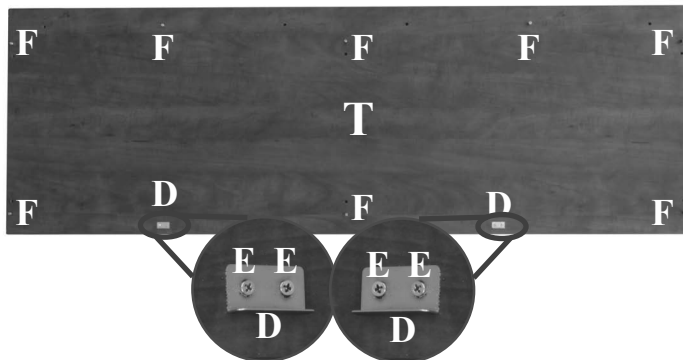

STEP 9 : Attach 8 mounting brackets(A) to the pre drilled holes in the sides(Q,R) and center wall(W) with the open end facing out. Mount the inner hinges to(W) and outer hinges to(Q,R) by sliding the bolt on the underside of the hinges into the open end of the mount while sliding the screw on the mount into the open end of the hinge. Tighten the screw on the back to lock into place.

IMPORTANT NOTICE:
- Place all wooden parts on a clean and smooth surface such as a rug or carpet to avoid the parts from being scratched.
- Check to be sure that you have all parts and hardware.
- Remove all wrapping materials, including staples & packing straps before you start to assemble.
- Do not tighten all screws/bolts until completely assembled.
- Keep all hardware parts out of reach of children.
