Sleek angles, pure geometry, and industrial finishes synergize to make an ultra-modern statement in the Marco collection. A dramatic matte black finish complements the contemporary feel of the bold square frames, while Clear Glass cylinders surround the stately silhouettes of candelabra bulbs. This 5-light chandelier creates a dramatic focal point graciously sized for taller living and dining areas.

- Clear glass cylinders encase steel candles and candelabra bulbs
- Matte black finish lends a modern feel
- Overlapping boxes create visual interest
