Terms of Warranty

Under the terms of this agreement, BuildDirect warrants that the products:

- Will be free from manufacturing defects.
- Will not wear through the decorative wear-layer (scratches, cuts, dents, or reduction in gloss level are not considered wear).
- Will not stain from normal household consumable items such as food or drink.

BuildDirect will replace or repair defective or worn planks beyond standard 5% waste factor at no cost to you when installed as an interior residential/light commercial floor, subject to the terms and provisions in this document. Exterior installation voids the scope of this Warranty. To receive replacement planks, defective material must be confirmed and reported in writing to the retailer from which flooring was purchased within the applicable warranty period.
