

THREE COINS CAST

The Unexpected in Cast Aluminum

HISTORY

Three Coins Cast is a second generation family company that was formed in 1989. Our American made cast aluminum product is welded, prepped, painted, and hand finished at our facility in Newnan, Georgia. Three Coins Cast offers a wide array of casual outdoor furniture, statuary, and garden accents that are designed with classic beauty, durability, and function. Cast from aluminum, each piece is fully welded and constructed with reliability and longevity in mind. Three Coins Cast's unique finishing process gives every piece the strength to withstand the harshest of elements without surrendering any of its character. During the finishing process, each piece is sanded, brushed, and painted by hand. The entire line is available in a variety of finishes ranging from antique to bold, bright colors. Three Coins Cast has made a niche for itself by offering custom colors and pieces, unique designs, and providing unparalleled customer service. We are the unexpected in cast aluminum.
