

ASSEMBLY INSTRUCTIONS

- Please read all instructions carefully before assembling.
- Assembly by two people is recommended.

1. Carefully open the packaging and clear packaging material from the assembly area.
Place all components on a protective surface.
2. Place Top Shelf "A" on metal frame "D" and "E" and partially tighten all 4 nuts. Place Center Shelf "B" and partially tighten all 4 nuts.
Place bottom Shelf "C" and partially tighten all 4 nuts.
3. When the all 3 shelf frames are in place, tighten all 12 nuts with help of Wrench. Now the overall structure is secure.
4. Now place the mirrors on each shelf respectively.

Assembly is complete. Product is ready for use
