Jed Black

Rocking Chair

Mid-century rocking chair in black

Jed is a modern reimagining of a traditional rocking chair with a low, square back and smart, mid-century style wood frame. This striking piece has a clean and contemporary feel that helps to ground a space. The dark stained wood is complimented by a beautiful black, herringbone linen fabric and accompanied by a small rectangular cushion for extra comfort.

Specification

Product Code:	CH1109
Product Height:	71 (cm)
Product Width:	58 (cm)
Product Depth:	82 (cm)
