### **ELECTRUM COLLECTION**

Our elemental exploration of polished brass and stainless.

Our Electrum Collection is named for the naturally occurring alloy of gold and silver, and the embodiment of our belief that you should mix your metals with abandon.

### **CARE INSTRUCTIONS**

- Avoid contact with hot items.
- Wipe spills immediately. Do not allow water to collect on the surface.
- Clean using a soft, dry microfiber cloth.
- Never use cleaners with alcohol or solvents on metals as they may damage the surface and finish. If your metal shows signs of significant wear, consult with a professional.

### DINING TABLES

You deserve a table that's to dine for. Our dining tables are formal enough for your most memorable meals—but inviting enough that you'll want to seat yourself daily.

---

### CARE INSTRUCTIONS

- Wipe spills immediately.
- Do not place hot items directly on the surface.
- Clean with water using a soft, damp microfiber cloth. Do not allow water to collect on the surface.
- Never use cleaner with alcohol or solvents on metal table bases as they may damage the surface and finish. If your metal shows signs of significant wear, consult with a professional.
- **For wood tabletops:** Wood is a natural material and responds to changes in temperature and humidity. Extreme fluctuations can cause wood furniture to crack and lacquer and finishes to lift.
- **For lacquer tabletops:** If scratches on the surface develop, Novus cleaners may be used to repair. We recommend Novus Level 1 or 2 for buffing out light scratches.
- **For marble tabletops:** Our marble is sealed, but it is a naturally porous material. Do not allow liquids to sit on the surface.
- We recommend retightening allen bolts every three months to ensure stability.

## FURNITURE

### Electrum Dining Table Base

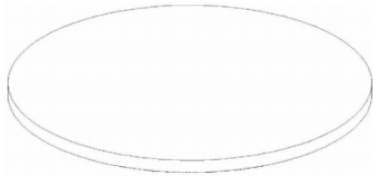

#### Assembly Instruction

- For ease of assembly two people are recommended.

#### Parts Included:

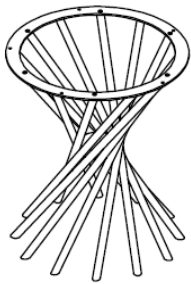

##### Box 1:

- (1pc) Table Top – A

##### Box 2:

- (1pc) Table Base – B

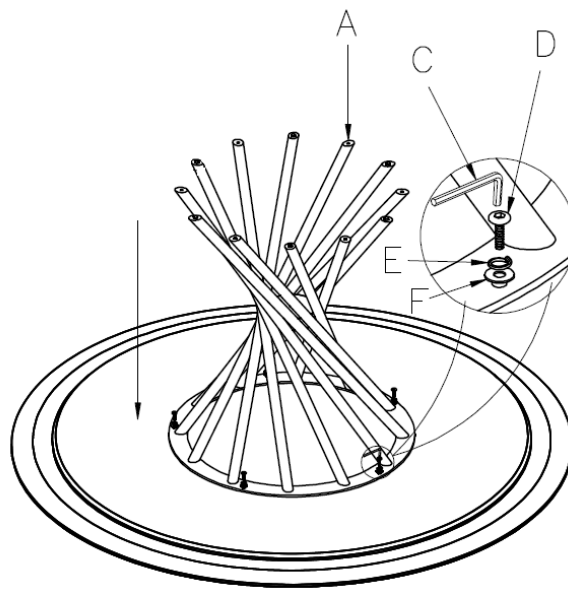

#### Hardware Enclosed :

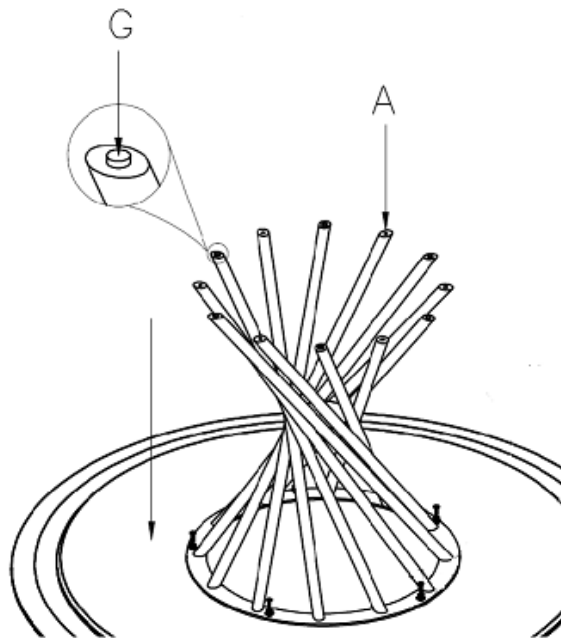

C	 Allen Wrench	1pc
D	 Bolt	5pcs
E	 Spring Washer	5pcs
F	 Flat Washer	5pcs
G	 Rubber Pad	6pcs

#### Assembly Instructions:

- Remove all the components from their boxes and place them on a carpeted or scratch-free surface.
- Place the Table Top (A) upside down on the ground. Put the Table Base (B) upside down on the Table Top, align the pre-drilled holes, secure the Bolts (D), Spring Washers (E) and Flat Washers (F) by using the Allen Wrench (C).

3. Place the Rubber Pads (G) evenly on the tubes of Leg.

4. Upright the Table. Assembly is completed.
