Allaire

For those looking for an added sparkle in their homes, Allaire provides a casual luxe feel to any décor. Alternating oval and round vintage beads create beautiful strands that are completed by a large faceted glass pendalogue. Champagne candles and an Antique Bronze finish add to the sophisticated design details. This one-light wall sconce is part of our Design Series collection. Two shade styles, both featuring a rich Espresso trim, are available as accessories. (P860000-01, P860001-01).
