**IMPORTANT ORDERING & INSTALLATION INFORMATION:**

- Before ordering or installing, please consider future access to all equipment.
- Must specify left- or right-hand drain when ordering.
- Tubs equipped with hydrotherapy components have a removable front panel.
- Please measure tub on-site before building tub decking.
- Use proper bedding compound to fully level and support tub.
- Tubs equipped with an air bath or a pre-leveled foam base are designed to rest on the floor without bedding compound, provided the floor is flat and level.
- Jet, pump & blower locations are predetermined and cannot be changed.
- Suction and control locations may vary.

• Before discarding tub crate, check for accessories that may be packaged inside.  
 • All product measurements are ±1/2".  
 • Specifications and configurations are subject to change without notice.  
 • Measurements herein supersede all others published prior to publication date below.
