4-3/8" (111 mm) Typical

3-1/16" (78 mm)

Ø 6-1/2" (165 mm)

Technical Information
All product dimensions are nominal.

Notes
Install this product according to the installation guide.

NOTICE: Risk of product damage. Long screws for installing trim can damage the K-2971-KS valve. Consult the trim installation guide to verify if the thin wall installation kit (88526) is needed.

Install straight pipe or tube drop of 7" (178 mm) to 18" (457 mm) with single elbow between the valve and the wall-mount spout. Elbow must be a 90 degree drop ell that is secured to rigid framing.
