The PLFI 520 island range hood is available in a variety of sizes with generous power for each model. The 24" - 36" models have one 600 CFM blower while the 42 and 48 have dual blowers with a total of 1100 CFM. All sizes are six speed, with LED touch display panel and new energy efficient LED lights. The 520 island hood is stylish and can fit in even the smallest of cooking spaces with our 24" wide model.
