## ACCESSORIES

## COPPER

Our handcrafted copper sinks add warmth and richness to a variety of decors. They come in a hammered finish with a beautifully aged patina. The hammered finish helps to hide small scratches that may occur over the lifetime of the sink. Copper is naturally antibacterial and will not rust or stain. Our copper sinks are made using one piece construction process giving you the strongest copper sink you will find.

## DIMENSIONS

\*Due to the handmade nature of this sink, dimensions may vary up to ~1/4"
