5 Light Linear Pendant

With seeded glass and a contemporary finish, the simplicity of the Mercer Collection is suitable for transitional to modern interiors. Bold, graphic lines in matte black create the open cage design. The fixtures are available in multiple accent colors to match or contrast the smooth cages. The rod-hung construction and square canopy complete the clean, modern look. This 5-light linear pendant perfectly illuminates an elongated bar, dining table, or kitchen island. The generous frame also works well for a modern-loft look.
