5 Light Chandelier

The Winslett collection is versatile and transitional in style. Classic silhouettes are perfectly matched with clean, modern lines for a mixture of form and function. Bright bulbs shine within ribbed clear glass shades. The linear texture, made by a glass-blowing technique, creates the optical illusion of distortion. The vertical lines in the glass provide gentle diffusion while playfully refracting light. The subtle White Gold finish is suitable for a variety of decors. This 5-light chandelier creates a stylish focal point and is comfortably sized for intimate dining and living areas.
