

TV39TAV (shown with Tekwood Vintage)

FEATURES

- ADA compliant
- Low-maintenance and ideal for outdoor applications
- Leg end caps provide protection against marring and scratching of surfaces
- Seats 4
- Pair with Travira or Argento
- Easy assembly

MATERIALS

Powder-coated aluminum is durable and lightweight. Its rustproof nature and resistance to chipping or peeling ensures furniture will remain beautiful over its lifetime. Tekwood is a wood-alternative developed from polystyrene providing the look of wood without the weathering process. Lite-Core is an engineered panel of natural granite with an aluminum honeycomb core resulting in a beautiful surface that is durable and lighter in weight than solid stone. All materials are ideally suited to the outdoor environment and provide commercial-grade quality.

Umbrella Hole	Assemb. Width	Assemb. Depth	Assemb. Height	Assemb. Weight Lbs.
