Petite Tabletop Fire Bowl

Real flame without the smoke!

- CERAMIC FIBER COTTON WICK:** Provides a beautiful flame with a continuous burn.
- REPELS BUGS AND INSECTS:** When used with citronella oil (not included), this fire pit repels mosquitoes and other flying insects!
- WINDPROOF GLASS:** Displays the smokeless, odorless dancing flame.
- EASY TO USE AND REFILL:** Simply add bioethanol fuel in the canister and light! Make sure the unit is not hot or already lit when refilling; fuel is not included.
- GLASS STONES INCLUDED:** Includes fire glass stones and a Flame Snuffer to easily put out the flame. Color and size of glass rocks may vary.
- PORTABLE DESIGN:** Creates a warm atmosphere wherever you place it, perfect for setting the mood for a relaxing evening.
