Part	Reference
A	F10890
B	F10891
C	F10892
D	F10893
E	F10894

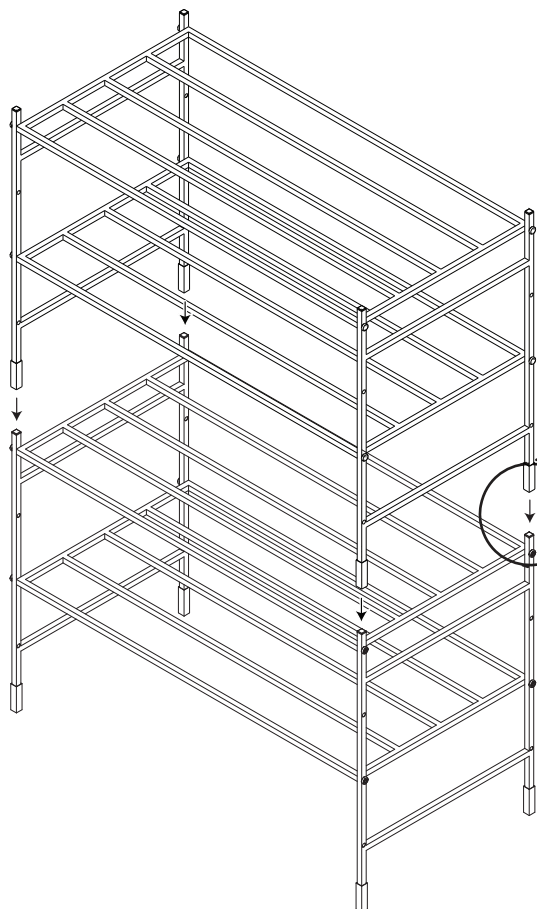

No additional
tools required.

SINGLE UNIT ASSEMBLY:

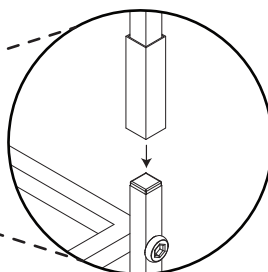

STEP 1: This item may be assembled in various ways to fit your needs. Choose any of the four available heights to install your shelves. Holes are located at four inch intervals on the side frames. Attach the two shelves (**B**) to the side frames (**A**) using eight screws (**C**). At the lowest and highest option, tighten with a hex wrench (**J**).

STEP 2: If assembling one unit insert feet (**D**) into the bottoms of both side frames (**A**).

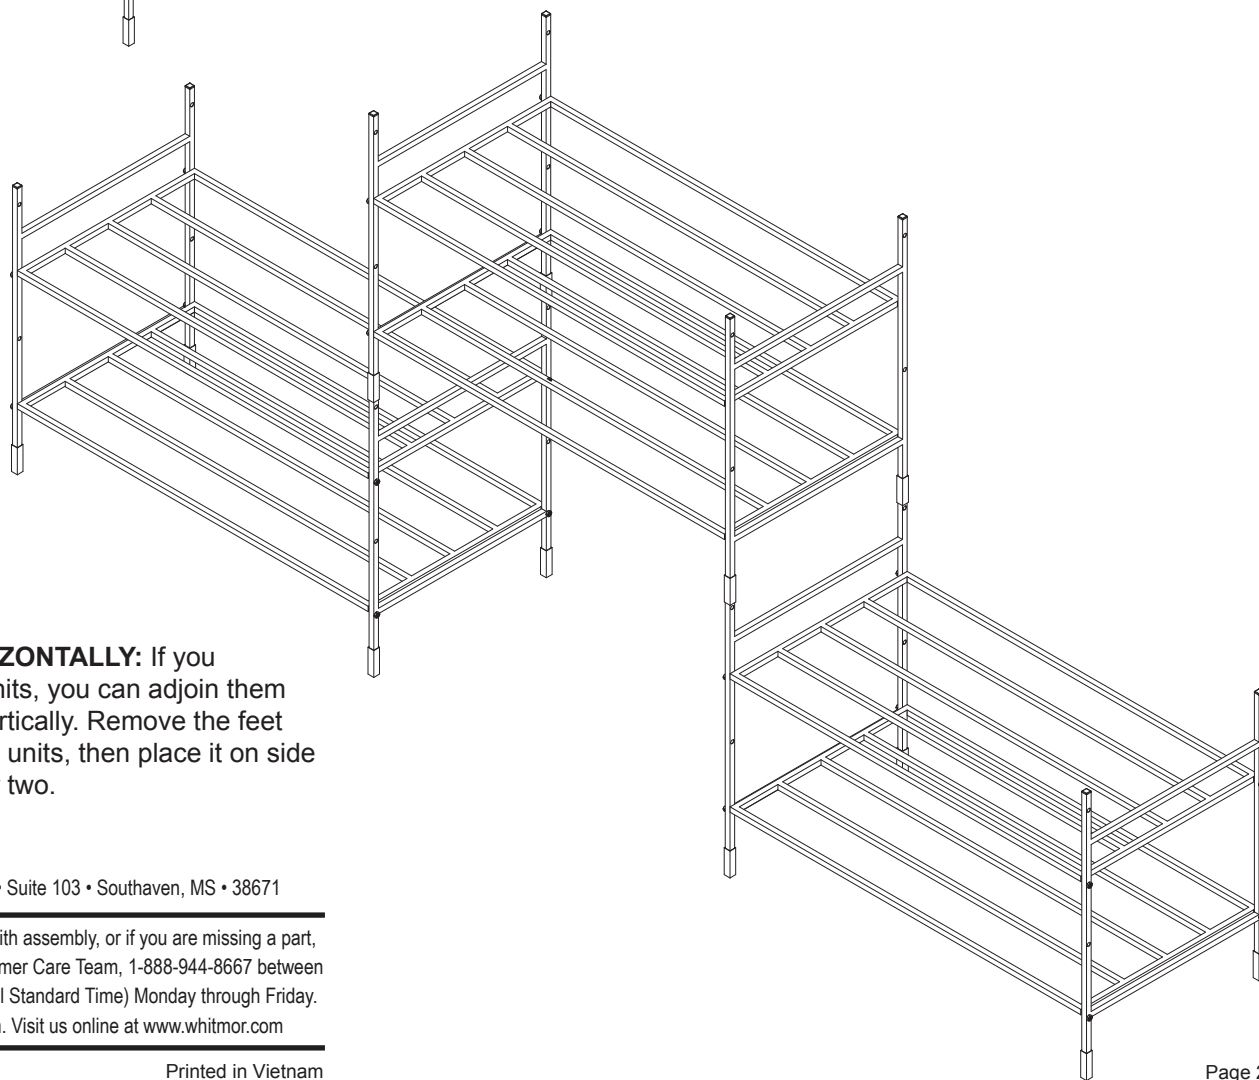

STACKING MULTIPLE UNITS: If you purchased more than one unit, you can stack them. Remove the feet **(D)** from one of the units, then place it on top of the other.

CAUTION: Serious injuries can occur from tip-over. To prevent tipping, make sure to affix units over 36 inches tall to the wall (hardware not included).

ADJOINING HORIZONTALLY: If you purchased three units, you can adjoin them horizontally and vertically. Remove the feet **(D)** from one of the units, then place it on side frames of the other two.

8680 Swinnea Road • Suite 103 • Southaven, MS • 38671

NEED HELP? For help with assembly, or if you are missing a part, please call Whitmor's Consumer Care Team, 1-888-944-8667 between 8 a.m. and 4:30 p.m. (Central Standard Time) Monday through Friday. Or email: help@whitmor.com. Visit us online at www.whitmor.com
