ASSEMBLY & INSTALLATION GUIDE

INSPECT ITEM CAREFULLY BEFORE ATTEMPTING TO INSTALL. IF THERE IS ANY DAMAGE OR OBVIOUS DEFECT, DO NOT INSTALL.

ITEM MAY NOT BE RETURNED ONCE IT HAS BEEN INSTALLED.

1. Screw lamp body (4) into the base fixture (5).
2. Remove socket ring (2) from socket (3).
3. Insert shade (1) to the top of socket (3) through the hole of the shade and tighten with socket ring (2).
4. Insert light bulb into socket
5. ADJUSTMENT INSTRUCTIONS: To adjust the height of lamp fixtures, hold the lower pole steady, pull the upper inner pole up to desire height. To lower the height, push the upper inner pole down to desire height.
