Espadrille Sand

Cushion

The Espadrille Sand Cushion blends delicate neutral ticking stripes with the complementary soft, two-tone Caprese Sand cord trim, creating an elegant and versatile addition to your outdoor space. The light beige and cream tones provide a subtle, sophisticated aesthetic that complements a range of outdoor styles. Made from GRS certified recycled outdoor weather-resistant polyester, this cushion is crafted to withstand sun, rain, and wind while maintaining its beauty and softness season after season.

We do recommend, however, that these scatter cushions are looked after carefully and are best used in dry weather. As with most outdoor textiles, they prefer to be stored inside when they are not being used, or during periods of prolonged wet, cold, or damp weather.
