

WYNDHAM COLLECTION

- Prior to installation please check received items against the "Packing List". Please report any missing items to your retailer immediately.
- Protect all surfaces from sharp objects, high heat sources, direct prolonged sunlight and chemical hazards.
- Professional installation recommended.
- Please install on a level surface. If minor door and drawer alignment is required, please follow the easy directions below.
- Backsplash comes in two pieces.

PACKING LIST

(Not all components may be included, depending upon your purchase)

HOW TO ADJUST HINGES (if required)

REQUIRED TOOLS NOT IN BOX

WC-4141-60-SGL Installation Guide

WYNDHAM COLLECTION

INSTALLATION INSTRUCTIONS

- ① The handles are safely stored for transport in a box inside of the cabinet. Look inside the vanity for the box with your handles.

- ② Unpack the handles and install them on the vanity. Do not over tighten when attaching.

Short, for door handles

Long, for drawer handles

- ③ Short screws are for the door handles and long screws are for the drawer handles.

- ④ Install the counter. Seal around the top of the cabinet with clear silicone sealant. Do not over apply. Allow to dry 24 hours for proper curing.

Installation Guide

WYNDHAM COLLECTION

- ⑤ Install the mirror: use a pencil to mark the placement of the screw holes on the wall, drill the holes and insert the plastic wall anchors.

- ⑥ Install the screws into the wall anchors, leaving enough of the screw exposed to hang the mirror - approx 1/4" - 1/2".
