

CANOPY INSTALLATION INSTRUCTIONS

Attentions for lamp installation:

1. Please read the user manual carefully before the installation.
2. Please hire the professional electrician to install the lamp.
3. The load-bearing of the customer's ceiling must be over 3 times of the light weight.
4. The power must be cut off until the whole lamp is installed well.
5. To avoid getting an electric shock and cause the unnecessary hurt, please cut off the power when cleaning the lamp.
