

Installation Instructions

Model 39743BCPC

1. Turn breaker off for circuit on outlet where fixture is to be installed.
2. Remove mounting bracket from fixture and install to electrical box
3. Wire fixture using green wire as ground.
4. Install fixture to mounting bracket and secure by tightening ball nuts.
5. Install color coded stems into corresponding colored threaded hole.
6. Install spoke balls onto end of blue and green stems and secure with cap stem.
7. Install maximum 40 watt Xenon lamps included.

WARNING!

Xenon lamps burn hot. Allow 15 minutes after turning off before touching!
