

ABOUT OXFORD GARDEN

For more than 20 years Oxford Garden® has created outdoor furniture with thoughtful design made right, and this philosophy permeates everything we do. Our products enhance commercial and residential spaces, creating outdoor living experiences that stand the test of time.

COMPOSITE CORD COLOR

MOCHA T112

DESCRIPTION

Composite cord is PVC-coated polyester thread woven into a rope. Like our composite sling, it is a material ideally suited to the outdoor environment. Durable and easy to maintain, it has just the right amount of give for maximum comfort.

DURABILITY

Composite cord is created to withstand outdoor elements and commercial use, ensuring furniture will last for years. The PVC coating on the threads of the cord and open weave allows air to flow through the furniture, creating a lightweight seating solution that stays put even in the windiest of conditions.

CARE AND MAINTENANCE

Composite cord products require little maintenance; however, regular cleaning is recommended to keep furniture looking new. Using a stiff brush, scrub with mild non-foaming commercial cleanser. Rinse well and air dry.

WARRANTY

Oxford Garden® warrants all outdoor furniture and accessories to be free from manufacturing defects in materials and workmanship. Provided the furniture is assembled correctly and is subjected to normal use, Oxford Garden® warrants composite cord for a period of one (1) year from the date of purchase against any major discoloration on the product. Oxford Garden® also warrants all hardware used in the construction of its outdoor furniture for a period of three (3) years from the date of purchase to be free from defects and against structural failure. For more details regarding the Oxford Garden® warranty, visit www.oxfordgarden.com/warranty.
