

Sheridan Wall Sconce

Illuminate your home with the Sheridan wall sconce from AF Lighting. This sconce provides the perfect blend of style and function; perfect for lighting up any hallway, entryway, and vanity. The frame is covered in a beautiful satin nickel finish that integrates well with existing color schemes.

Two crystal ornaments are located in the center and bottom of the base. When the light is on, these crystals create a beautiful prismatic effect as the light shines through. The sconce is topped off with a square hardback shade in beige to complete the look.
