Assembly instruction for Full, Queen, King

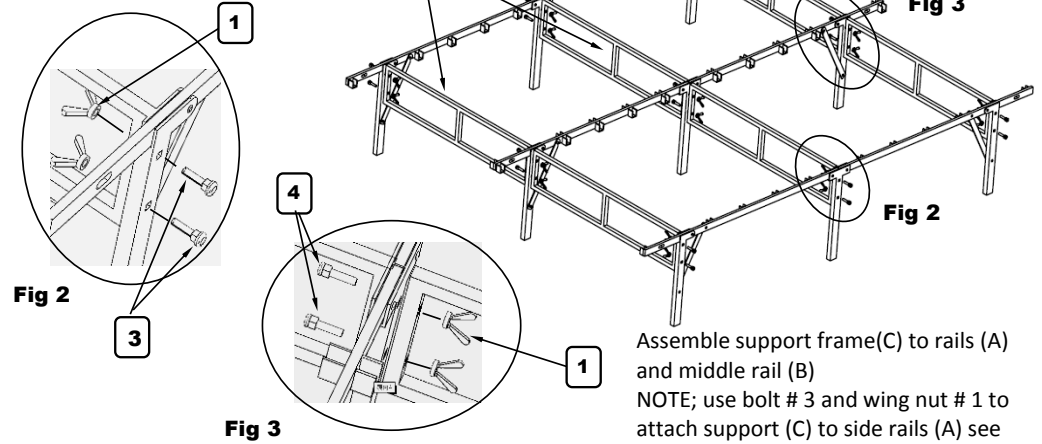

Step 1

Swing out the folded legs and assemble as shown above.

Use Bolt # 2 and Wing Nut # 1 to attach the support bracket to the side rail ,See Fig 1

Step 2

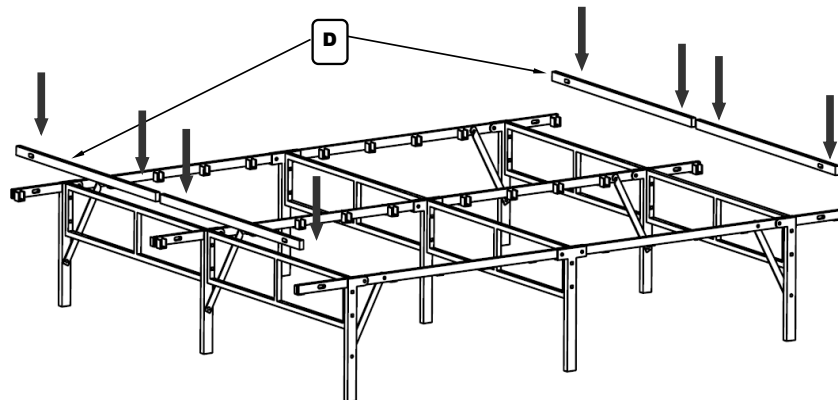

Assemble support frame(C) to rails (A) and middle rail (B)

NOTE; use bolt # 3 and wing nut # 1 to attach support (C) to side rails (A) see Fig 2.

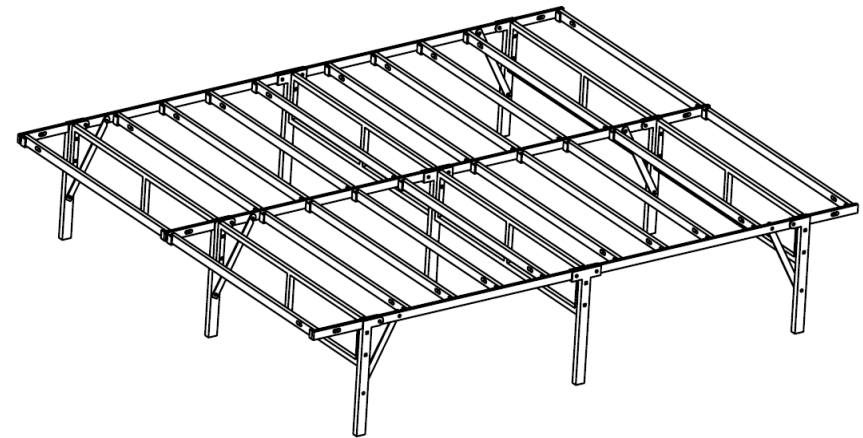

Use Bolt # 4 wing nut # 1 to attach Support Frame (C) to the middle rail (B).

Step 3

Insert slats (D) into the U shape on rail (A) and rail (B)

Finish

Your Platform Bed is ready for use.

Please check the nuts and bolts regularly , and tighten them if any become loose
