

Maintenance and Care Instructions **for Faux Shagreen**

- 1) To ensure the long life and beauty of this piece, avoid excessive exposure to sunlight, dampness, and hot/ cold conditions.
- 2) With dust on Shagreen surface, use a feather broom to sweep it slightly.
- 3) Lightly vacuum to remove surface dirt.
- 4) To remove/ clean spills, stains or smudges, immediately use a clean soft cloth that is slightly moistened with warm water. Afterwards, pat dry with another clean soft cloth to ensure there is no moisture on the surface, especially the area surrounding the joints.
- 5) If debris lingers in the grain of the faux Shagreen, dip a toothbrush into clean warm water and brush the dirt out using the toothbrush. Follow by drying with a soft, dry cloth.
- 6) Avoid contact with moisture, cigarettes, hot dishes, and harsh solvents such as nail polish and alcohol.
- 7) Do not place Shagreen finishing products in direct sunlight, near heat outlets, windows, or outdoors.
