

# Artundra

COLLECTION

**MACHINE-MADE FROM 100% POLYESTER**

Created with Interior Designers in mind, the Artundra Collection's artistic style features a velvety soft plush-cut pile perfect for any room. The classic distressed oriental styles, water-color strata's and spiro graphical feathers are sure to appeal to anyone's sophisticated taste. Machine-Made in Turkey of 100% Polyester, the Artundra collection is as beautiful as it is durable. The durable construction means these rugs are easy to clean and care for. Open-backed construction makes them lightweight and easy to move from one room to the next.
