

## **How to open your bed:**

- 1. Take mattress to the room in your home that you intend to enjoy it.**
- 2: Lay the box longwise on the floor. Remove the mattress from the box and place on bed.**
- 3. Remove thick outer wrap of film using included letter opener. DO NOT USE SCISSORS OR A KNIFE!**
- 4. Unroll mattress and lay flat. Make sure white side is facing up.**
- 5. Remove thin inner wrap of film.**
- 6. Allow your mattress to expand for 3-4 hours. It is possible that this could take up to 24 hours, however not likely.**
- 7. Enjoy!**
