CARE and MAINTENANCE

This furniture is designed for indoor use.

All furniture requires regular maintenance to look its best and the Pouf is no exception. Your Pouf will last long without needing a great deal of attention. Whether you use your Pouf as a footstool, occasional table or casual seating, there are tips that can help keep your Pouf looking good.

To help protect your Pouf, follow these steps:

- Dust regularly with a dry soft cloth
- Vacuum occasionally with a soft brush attachment
- Do not use a coarse brush or scrubbing brush as they can damage the fabric
- Blot spills immediately with a dry cloth
- If staining occurs, use a soft cloth with warm water
- Keep your Pouf out of direct sunlight so it does not fade or discolor
- If it can be avoided, do not place Pouf near heating vents, this will affect the filler and cause material to fade and crack
- Do not place hot items directly on top of the Pouf
