

Wall-Mount Electric Fireplaces With Multi-Color LED Displays

FIREPLACE FEATURES

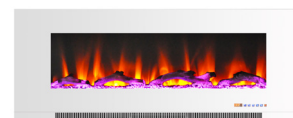

- Offered in 42", 50", 60", 72", and 78" displays
- Widescreen displays
- Log or crystal rock displays
- Dual-heat settings
- Automatic thermal safety shut off
- CSA certified

Experience comfortable warmth and dramatic flame effects provided by Cambridge electric fireplace. Designed for wall-mount displays, this model features dual-heat settings, an adjustable display, and a convenient remote control. Its slim-line design and realistic flame effect add a touch of elegance to any room it's placed in.

The flames can operate with or without heat, which makes it perfect for warmer seasons and year-round use. A convenient remote control is included so you can easily adjust the settings from anywhere in the room. Its tempered-glass screen and low-profile frame add a modern design that can easily integrate with existing wall art. Simply turn it on and enjoy the serene, warm effect that it adds to your home.
